## RESTRICTED VISIBILITY

*Safe work* is North's loss prevention initiative to promote good practice and safe systems of work on board ship.

*Safe work* is maintaining a proper lookout as the primary function of the bridge team.

*Safe work* means proceeding at a safe speed adapted to the prevailing circumstances and conditions of restricted visibility.

*Safe work* requires the use of hand steering in restricted visibility when appropriate.

*Safe work* means using electronic navigation techniques suitable for the prevailing circumstances and conditions.

*Safe work* means effective bridge team management to reduce the risk of an error by one person resulting in a dangerous situation.

*Safe work* practices will reduce the number of incidents and accidents.
