## **THE INTERNATIONAL GROUP OF P&I CLUBS - ANNUAL REVIEW 2016/17**

North is a leading member of the International Group of P&I Clubs which comprises 13 not-for-profit mutual insurance associations that insure third-party liabilities relating to the use and operation of ships. The Group clubs between them insure around 90% of the world's ocean-going tonnage and around 95% of ocean-going tankers, equating to in excess of 60,000 vessels. In addition, the Group represents the views of shipowners and charterers who are Members of the clubs on matters of concern to the shipping industry.

The International Group has recently issued its sixth Annual Review which reports on the Group's activities over the past year, including pooling and reinsurance, Maritime Labour Convention 2006, large casualty outreach programme, autonomous ships, oil pollution and piracy, all of which affect marine liabilities.

A copy of the Review is available to view and download from our website: [IG Annual Review 2016/17](#)
