## **NEWCASTLE OFFICE EXTENSION**

The successful growth of the Club in recent years, coupled with an expansion in the range and level of service provided, has led to additional recruitment to ensure that the level of service to Members is maintained. The Directors have decided to extend the existing Newcastle office to accommodate the expansion of staff which, however, requires a temporary move while the building work is carried out. As the attached notice shows we will commence business in our temporary office on Monday, 7 December, 2009 and plan to return to an extended and refurbished building in Spring 2011. It is not anticipated that there will be any disruption of service to Members as a result of the moves.

Should you have any queries please do not hesitate to contact any member of the management team.
