PAYMENTS BY THE NORTH OF ENGLAND

We are also currently in the process of updating our banking database which requires information to be held in a structured format in order to make payments to you and to facilitate future IT developments. Accordingly, we kindly request that you complete the Excel workbook which accompanies this circular for each of your bank accounts which we should retain in our records. If you would like us to retain details of more than one bank account, then please complete a separate worksheet for each account within the same workbook. It would be most helpful if you could retain the format and file name supplied and return your completed workbook to banking@nepia.com. Where a field is not relevant to you then please leave it blank. Please accept our apologies for any inconvenience and thank you for your assistance in this matter.
