## **CREATION OF THE NORTH OF ENGLAND 150 YEARS FUND**

As part of the Association's ongoing efforts to develop and implement a Corporate Social Responsibility programme, it has recently been suggested that consideration should be given to the North of England marking its 150<sup>th</sup> anniversary by establishing a charitable Fund.

Traditionally, on occasions such as this, many of the Association's visitors have kindly donated gifts to the Association. Whilst these generous gestures have always been received with great appreciation, the Directors and Managers believe that the creation of a charitable Fund, which may be utilised to make donations to three deserving charities, would be an excellent way to celebrate the Association's 150<sup>th</sup> anniversary. It is currently envisaged that the recipient charities will be the following:

- Sailors' Society
- Royal National Lifeboat Institution
- A local community based charity

Should you wish to make a donation to the North of England 150 Years Fund in lieu of a gift, you can do so by remitting funds to the Association's bank account, the details of which follow below:

If funds are being paid from within the EU then please quote the IBAN (International Bank Account Number) and BIC (Branch Identification Code) instead of Account Number and Sort Code. For funds being paid from anywhere else in the world please quote the relevant Account Number and Sort Code.
