**ORGANISATIONAL RESTRUCTURE - JOHN HOWE**

As part of the organisational restructure, John Howe will take up the role of Director Quay Change (Underwriting) and this reflects John's decision to retire early in July 2016. John has contributed significantly to the development of Quaystone, North's new bespoke commercial operating system and his input has been invaluable to the implementation plan of this multi million pound project.

A gradual and effective handover of John's work and Member/broker relationships will commence over the coming period and we will keep you updated on any handover changes in due course.
