**UPDATE - URUGUAY - OIL SPILL RESPONSE CONTRACT REQUIREMENTS**

We refer to the recent Circular dated 16 February 2015 in which we informed Members of the entry into force on 20 February 2015 of the new Uruguayan Disposición Marítima No 149 ("the Regulation"), requiring vessel owners to enter into contracts with local Oil Spill Response Organisations (OSROs).

The International Group has been informed that the Uruguayan Coast Guard has decided to suspend the entry into force of the Regulation pending clarification of certain issues with the OSROs. The Coast Guard will meet with the OSROs to discuss the position and to determine a future date for the entry into force of the Regulation, which is not expected to be before 15 March 2015.

Until the date of entry into force of the Regulation is determined, we suggest that Members trading to Uruguay should liaise with local agents, the Club or the Club's Uruguayan Correspondents to check the current situation.

We will keep Members updated with any developments as the information becomes available.
