## **NORTH'S 2017/18 PUBLICATIONS**

North's 2017/18 Rule Books and List of Correspondents (LOC) have been published and are available to download from our website at the following links:

- **P&I, FD&D and War Risks Rule Books**
- **List of Correspondents**

For 2017/18 the Rule Books and LOC are in electronic format only. Our PDFs have been created to ensure that they can be emailed to ships and/or offices with small mailbox limits.

## **North App - North P&I Club Contacts and Correspondents**

We have recently made a number of changes to the North App in order to improve its performance. The app is now a lot quicker and no network connection is required to access the data.

The app provides a simpler, quicker way to access our online databases of staff, correspondents and entered vessels and is available on Apple, Android and Windows platforms. You can download the North App from our website ([www.nepia.com/apps](http://www.nepia.com/apps)) and the relevant app stores.

Kind regards,

AA WILSON and PA JENNINGS  
JOINT MANAGING DIRECTORS
