North

North's 2020/21 Publications

20 February 2020

Circular Ref: 2020/010

CIRCULAR

North's 2020/21 Publications

North's 2020/21 Rule Books and List of Correspondents (LOC), valid from 12 noon on 20 February 2020, have been published and are now available to view or download from our website via the following links:

- [P&I, FD&D and War Risks Rule Books](#)
- [List of Correspondents](#)

Rule Books

The 2020/21 Rule Books are also available in a new online format, making them much more interactive and improving the searchability and speed of access. You can now read our Rules directly from [our website](#), without the need to download the full PDF, and can simply print the Rules relevant to you. If you have a MyNorth account, you can also save a copy of the Rules in your own personal library. As in previous years, you can still download a full copy of our Rules in PDF format.

List of Correspondents

You can download our full List of Correspondents in PDF format from our [correspondents page](#). The list is updated daily, ensuring that you always have the most up-to-date correspondents' details when you download your copy.

MyNorth – have you signed up?

MyNorth enables Members, brokers and correspondents to personalise and tailor the content they wish to see on our website. In MyNorth you can save articles, publications and contacts to your own personal space, in addition to setting preferences for how you want to view our latest news and updates.

- [Find out more about opening a MyNorth account.](#)
- Already registered for MyNorth? [Log in here.](#)

Smartphone App – North P&I Club Contacts and Correspondents

Members are encouraged to download our app, available on iOS and Android, for quick access to North's key contacts, correspondent network, vessel search and blue cards. The app is updated daily to ensure that you always have access to our most up-to-date contact details and vessel information. Once the app is downloaded, it can be used without a Wi-Fi connection.

- You can download our app [here](#), or from the relevant app stores.
