How to:
search

How to: search

1. We've introduced a new powerful and intuitive search which assists you in finding what you're looking for on our website. There are two areas you can search from on the homepage:
 - a. 'How can we help you' search.
 - b. 'Magnifying glass' search.

2. The main search engine will bring you through to a search results page once you have submitted your search.
 - a. To help you find what you're looking for more easily, you can apply filters to refine the results by material type.

3. If you are somewhere other than the homepage of the site and want to search for an item, you can use the 'magnifying glass' search.

- a. This search autocompletes your sentence, provides suggestions based on your live search terms and groups content together before you complete your search to make it easier to find what you're looking for.

From here you can select to view content grouped together by material type.

Further information

For more information on our new search, please contact [Aimee Dowds Roddy](#).
