Weekend and Holiday Access Telephone Number: +44 191 232 0999

Important: Any matter requiring attention out of office hours should be communicated by telephone/mobile.

North's Website The above list of telephone numbers is correct at the time of printing. For an up-to-date list of after office hours telephone numbers please consult the 'About North' pages on North's website: www.nepia.com/about-us/our-people/

List of Correspondents

North does not appoint agents, but when necessary utilises the services of correspondents overseas, either experts or lawyers, (marked thus*), who are listed in the following pages. Members and/or Masters are requested to make direct contact with the appropriate correspondent when time does not permit them to make prior contact with the Club.

Whilst the Club has endeavoured to list correspondents' Email addresses it should be noted that messages sent by Email are not received instantaneously and therefore urgent messages requiring immediate action should not be sent by Email. All appointments are made on behalf of Members and appointments made directly by the Member/Master should be reported to the Club as soon as possible with details. For the convenience of Members the list is arranged in alphabetical order of countries, with a corresponding index of ports served.

Correspondents are not agents for service of process upon North of England P&I Association Ltd, North of England P&I DAC or any other North Group company.

Neither North of England P&I Association Ltd, North of England P&I DAC nor any other North Group company is a guarantor under the United States Oil Pollution Act of 1990.

First Call

Hudson Tactix and Shuman Consulting Services have developed the First Call service for North's Members who are disembarking crew for medical treatment in the USA only.

If crew members are injured or suffering an illness, Masters are encouraged to call the 'First Call' Tel: numbers. Hudson Tactix or Shuman Consulting Services will arrange medical attention, transport to and from the ship, and treatments at a reputable treating facility. This service also includes the control and auditing of medical costs.
